Advertise at SHM Converge 2024

SHM Converge is our largest event of the year, drawing 3,300 attendees. For our sponsors, the event is an unbeatable opportunity to connect with our influential audience of ambitious hospitalists and industry decision makers. Our attendees are leaders in their organizations, practicing across the country in community, academic medical centers, safety-net and VA hospitals. In addition to frontline practicing physicians, many of our members hold C-Suite positions. They serve their organizations as CMOs, CQOs and CMIOs making key decisions regarding solutions and services. Exposure to this key audience can be game-changing for sponsors.
