Break

2:30 - 3:30 p.m.

Assessing Your Leadership and Decision-Making Skills: Identifying Practices That Cause Harm
Marisha Burden, MD, MBA, FACP, SFHM
Himali Weerahandi, MD, MPH

Overview: Learn to identify and mitigate administrative practices that contribute to clinician, patient, and organizational harm and understand their hidden costs. In this section, we'll explore a practical framework for evaluating decision-making processes. By understanding key components and assessing decisions systematically, participants can enhance their leadership effectiveness.

3:30 - 3:40 p.m.

Break
